

# THE GLOBE-REPUBLICAN

The FORD CO. GLOBE, Established 1877.  
The FORD CO. REPUBLICAN " 1886.

DODGE CITY, KANSAS, THURSDAY, MAY 3, 1906.

THIRTIETH YEAR, VOL. XXIX, NO. 30

## FITZGERALD WINS

NOMINATED FOR LIEUTENANT GOVERNOR BY A TWO TO ONE VOTE

## STATE REPUBLICAN TICKET

Governor Hoch by Acclamation Followed By a Strong Clean Ticket Throughout.

Governor—E. W. Hoch, Marion county.  
Lieutenant Governor—W. J. Fitzgerald, Ford county.  
Secretary of State—C. E. Denton, Harper county.  
State Auditor—James M. Nation, Neosho county.  
State Treasurer—Mark Tully, Montgomery county.  
Attorney General—F. S. Jackson, Greenwood county.  
Judges Supreme Court—W. A. Johnston, Ottawa, and R. A. Burch, Salina, six year term; Silas Porter, Wyandotte, and C. B. Graves, Lyons, four year term.  
State Superintendent of Schools—E. T. Fairchild, Ellsworth county.  
Insurance Commissioner—Charles Barnes, Oage county.  
Railroad Commissioners—Frank L. Ryan, Leavenworth county; C. A. Ryker, Reno county; George W. Kanavel, Harvey county.  
State Printer—T. A. McNeal, Shawnee county.

The above ticket was selected by the Republican convention held in Topeka yesterday.

The fight made upon the Ford county candidate, W. J. Fitzgerald, by the followers of W. R. Stubbs, failed to weaken his support. Mr. Fitzgerald's friends have contended almost from the beginning that he would have two-thirds of the votes in the convention. Judge Clark, the opposing candidate, is a strong man, but his candidacy was weakened by the unfair methods adopted by some of his friends, and newspapers at Topeka and Kansas City that have a state circulation in Kansas. Mr. Fitzgerald was misrepresented from the time that his candidacy was announced. The Stubbs people brought Judge Clark out for lieutenant Governor, and were determined that no other candidate should be considered. Their violent and bitter fight for Judge Clark at once put him in the attitude of being a candidate solely in the interest of Mr. Stubbs.

The contest on Lieutenant Governor resulted as predicted in last week's Globe Republican.

The head of the ticket was nominated by acclamation, Governor Hoch having no opposition in the convention.

The contest for attorney general while pretty evenly divided between four candidates, S. M. Brewster, Fred S. Jackson, Oscar Raines and A. E. Crane was settled on the second ballot by two of the candidates withdrawing and each throwing his strength to one of the remaining two.

For the railroad board three new men were selected, George Wheatley who is at present on the board suffering defeat.

The ticket as a whole is one of the best that has ever been presented to the voters of Kansas. There is not a man upon the entire ticket who is not worthy of the support of the voters.

The resolutions do not approach the sleeping over point. There is no attempt at cheap grandstand play. The platform is a positive statement, however, that the Republican party in Kansas will persistently and honestly work for enactment and enforcement of laws necessary to give every man and every woman a square deal in Kansas. The railroad plank is in harmony with the policy of President Roosevelt, as are also the tariff and anti-trust planks.

In speaking of the ticket the Topeka Herald, the only Topeka paper which

has kept out of factional politics, and stood for the interests of the Republican party, says:

"The ticket nominated by yesterday's convention is a most excellent one from top to bottom, and in the judgment of the Herald will stand the closest scrutiny and investigation by the people in the long and active campaign which we are about to begin. Some of the men named have not been prominently known in the politics of the state heretofore, but all have won for themselves the most creditable places in their own counties and are men of the highest character.

There was not a man nominated yesterday from the dark horse list. Every name on the ticket is that of a man whose candidacy has been openly considered and widely published, and the candidates named, each and every one of them, enjoys the regard and respect, and had the enthusiastic support of the people of his own community. The platform is a trifle too long, but it is nevertheless a very excellent one. It handles the vital issues of the day in a sane and sensible manner and leaves the meaningless and demagogic buncombe to its opponents. The Republican party has been the party of deeds and its Democratic opponents the party of words. Yesterday's convention showed that more than 1,000 representative men of Kansas believed it more important that the Republican party should stand for the real interests of the people on a platform that pledges it to enact laws, and to administer those we have, in a spirit of fairness to every interest involved, than to gain votes at the cost of common sense, common justice and the principles of government, which alone guarantee permanent peace, happiness and prosperity to all the people of this commonwealth."

## CHURCH DEDICATION

Sunday May 20, will be a Great Day in Shoen Neighborhood

The German Lutheran church near Wittrop, Hodgeman county has been completed and will be dedicated on Sunday May 20. The church is in the Shoen neighborhood and a large crowd will attend the dedicatory services from Ford and Hodgeman counties. Three different ministers will speak and the meeting will occupy both forenoon and afternoon. At 10 o'clock in the morning the sermon will be given in the German language.

At 2 o'clock in the afternoon the sermon will be in the American tongue.

The people of this part of the country are proud of their new church and they will celebrate its completion in a fitting style.

No doubt a great many will go out from Dodge City to attend the dedicatory services.

## WIRELESS TELEGRAPH

Probable that Wireless Telegraph Station Will be put in Here.

Last Friday a telegram was received by the Electric Light Plant here, from the manager of a wireless telegraph company in New York, asking if a sixty cycle alternating current was available here, and stating that the company desired to put in a station at this point if the proper current of electricity could be secured.

The current furnished by the light plant here is a 220 volt direct current, and this fact was wired to the wireless company at New York. No further word has been received from there, in regard to the matter.

Although the current in use here would not be directly available, by the use of motors run by it, an alternating current of high frequency could be secured, and if the wireless company is very desirous of establishing a station here, this will no doubt be done.

## FALLS TO DEATH

PATRICK SUGHRUE MET HIS DEATH IN TOPEKA HOTEL

## ELEVATOR DOOR WAS LEFT OPEN

His Injuries Were so Severe That He Lived Only a Few Hours.

Patrick F. Sughrue, postmaster at Ft. Dodge and an old time citizen of Ford county, was accidentally killed by falling down an elevator shaft in the Copeland hotel. Mr. Sughrue was a member of the Ford county delegation to the state convention and went to Topeka on Sunday night. He spent Monday forenoon with Captain Thomas, and other Ford county men in visiting among the delegates and friends in Topeka. At a little after two o'clock in the afternoon he started to go to the Ford county headquarters up stairs in the Copeland. The elevator door stood open. Mr. Sughrue's eyesight was defective and the elevator in a dark part of the room, and he stepped through the door without noticing that the elevator was not there.

J. M. Wyman, a former county officer of Reno county saw the accident, and with others hurried into the basement where Mr. Sughrue was found at the bottom of the elevator pit. He was unconscious before he was reached. Both arms and his shoulder blade were broken and he had sustained a skull fracture which proved fatal. He lived until 8:30 o'clock next morning.

Mr. Sughrue's sad death will be deeply regretted by the people of Dodge City and Ford county. Since the early days he has been identified with the history of the county, and he served as sheriff in the time when Dodge City was a rough frontier town.

He was 63 years of age, and leaves a wife and eight children. Five of his children live in this county, one in California, one in La Junta and another at Ashland, Clark county, in this state.

Mrs. Sughrue left for Topeka the next morning after the accident but did not reach there before he died. The body was brought home Wednesday night. Funeral services will be held from the Catholic church Friday morning at 10 o'clock.

Before the close of the Republican State convention at Topeka Wednesday the following resolution was adopted: "Resolved, that in the tragic and lamentable death in this city today of Patrick Sughrue, a delegate from Ford county, the state of Kansas loses a valued citizen, the Grand Army of the Republic a distinguished comrade, and the Republican party an honored member. A soldier of the great Civil war, he won the gratitude of his countrymen, and as a public officer in later life he acquitted himself with honor and credit. His friends of the short grass country of Kansas, where he so long lived, especially hold him in grateful memory. To his widow this convention extends its profound sympathy."

## MANUAL TRAINING SCHOOL

Work Done by Pupils will be Exhibited on May 23 and 24.

There will be an exhibit of the work done in the Manual Training department of the schools at Ft. Dodge on May 23 and 24. All of the work done by the pupils will be on exhibition and will be very interesting and instructive. Miss Wiseman has been very successful in teaching this department, and the work is proving beneficial to the pupils. It will pay everybody to examine the work which will be displayed at the exhibit on the dates given above.

## A LARGE BALLOT

Official Ballot for Next Fall Election Will Be Bulky One

The official ballot for this year's election will be a big one. The state ticket will be composed of sixteen places. Four justices of the supreme court, governor, lieutenant governor, secretary of state, auditor, treasurer, attorney-general, superintendent of schools, superintendent of insurance, three railroad commissioners, and state printer. There will also be three constitutional amendments submitted to wipe out double liability, to prohibit local legislation, to provide for deputy probate judges. Each ballot will also contain one congressman from each party in one district. The creation of an additional district last winter by the legislature lops off the congressman at large. There will be no state senators, with possibly one exception, to elect. The senators hold over this time. About half the district judges in the state will be elected; the others will hold over. There will be a new house of representatives to elect. The county ticket will be made up of sheriff, county clerk, treasurer, county attorney, register of deeds, probate judge, coroner, clerk of the district court, surveyor, county superintendent of schools and one county commissioner. The township ticket will be composed of trustee, clerk, treasurer, justice of the peace and constables. There will be one road overseer to elect after this. They are now appointed by the township. There will be at least three party tickets on the official ballot, perhaps more. The Republicans, Democrats and Prohibitionists are sure to have tickets; the Socialists and Populists may also.—Topeka Capital.

## For County Attorney

In today's paper appears the announcement of Carl VanRiper for county attorney of Ford county. Mr. VanRiper has for several years been associated with the law firm of Sutton & Seates in Dodge City, and has developed into a lawyer of marked ability. He will place his name before the convention of the Republicans of Ford county for consideration and if nominated will be elected, and will conduct his office with credit to himself and the people of Ford county.

## FITZGERALD A WINNER

Ford County Man was a General Favorite With State Delegations.

Ford county people who went to Topeka to watch the wheels go round during the few days preceding the state convention were mighty proud of their home candidate. Mr. Fitzgerald from first to last made absolutely the best impression upon visiting Kansans of any of the candidates for state office. The Fitzgerald headquarters in the Copeland hotel had a continual throng of visitors. Mr. Fitzgerald was the host keeping open house. He had a combination of sincerity, good nature and hospitality that was mighty taking, and his manner was free from care, as though he was a jovial, interested spectator, instead of a candidate. The delegates warmed up to him, even those who were instructed to vote against him.

At some of the headquarters the candidates carried their worries upon their faces, and the atmosphere was depressing, but from the beginning to the end the sun was shining on the Fitzgerald headquarters, and the cheerful atmosphere was pleasing to the visitors.

## MRS. J. D. KRUM DEAD

Wife of Rev. Krum Dies Suddenly at Ottawa, Kansas

Word has been received here of the sudden death at Ottawa, Kansas, on Tuesday evening, April 17, of Mrs. J. D. Krum, wife of Rev. J. D. Krum, who was for several years, rector of the Episcopal church at this place.

During her stay in our city, Mrs. Krum formed many close friendships, and her death is sincerely mourned by all. The following is taken from an Ottawa paper under date of April 18: "Mrs. Ellen D. Krum, wife of Dr. J. D. Krum, 608 Locust Street, died suddenly at her home, about 6:30 last night. She had been in normal health and sat down to the supper table with her husband. The end came suddenly. Without an exclamation, but with a deep sigh, her head fell forward with her face on the table, and the body slowly sank to one side. Death was instantaneous.

"Mrs. Krum's maiden name was Ellen M. Blair. Her father was a minister in the Presbyterian church, at Freehold, New York, where she was born April 9, 1841. While she was quite a young girl, her father removed to Angelica, where he remained as pastor of the church until his death. She received a liberal education at the Angelica academy.

"Miss Blair was married June 26, 1891, to Rev. J. D. Krum, then a young minister. She was present at his ordination a few days subsequently. The young couple went to Seneca Falls, New York, in 1895, where for fourteen years she was a devoted helper of her husband in his pastoral duties. Dr. and Mrs. Krum lived successively in Pennsylvania, Nebraska, Texas, and Dodge City, Kansas, and from the latter place came to Ottawa in 1901.

"Mrs. Krum was a woman of unusual intelligence, and of the highest religious character. She was a devoted church worker, and a religious teacher of both young and old of exceptional ability. At the time of her death she was in charge of a class of nearly forty in the Sunday school of Grace church."

RATH & BAINBRIDGE

Base Ball Game at Wichita, Sunday, May 6th.

The Santa Fe will run a special train to leave Dodge City at 4:30 a. m. and reach Wichita at 11:30 a. m. for the benefit of the people who may wish to see the base ball game between Wichita and Topeka teams. The rate to Wichita and return will be \$2.50 from Dodge City. This is a splendid chance for those that have not visited Wichita or those that wish to visit Wichita, one of the first cities in the state of Kansas and also to see a splendid game of ball. Returning from Wichita the train will leave there at 10:30 p. m. and arrive here Monday morning at 6 a. m.

As this is the first Sunday base ball game of the season, it will be very interesting and we should have a splendid turnout. In addition to other attractions is the Wonderland park, one of the finest parks in the west. For further information inquire at the Santa Fe ticket office or of FRED GARDNER, Agent.
